PRIVATE LIMITED**

---

**YOUR PRODUCTS, OUR PRIORITY**

# INTRODUCTION

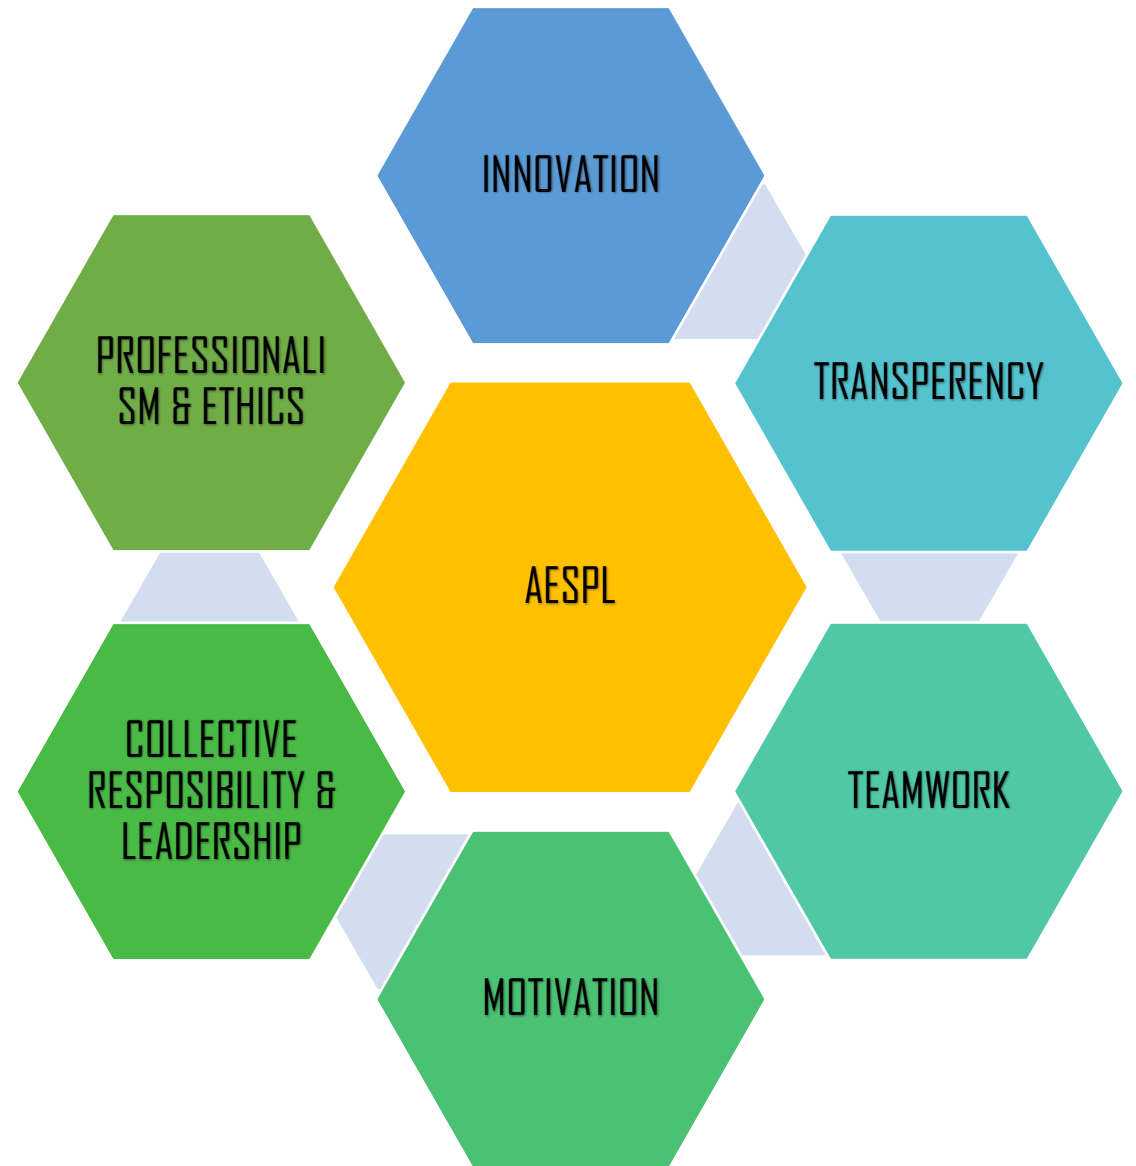

**ASPIRE ECOPRO SOLUTIONS PRIVATE LIMITED (AESPL)** provides one stop **Professional Secondary & Tertiary Packaging Solution** for your products to enhance the look along with increasing the protection for safe transportation. Depending on the size and type of product, we provide the optimum and customized solutions to meet your requirements. AESPL is focusing exclusively on high quality and cost-effective product development. We provide packaging solutions for Textile & Garment industries, Retail Industries, Utensils, Pharmaceuticals, Plastic & Polymers, Industrial Machinery & Equipment, Food and FMCG sector.

**AESPL traces its roots to 1982 incorporated N.R. Wooden Boxes and 1986 incorporated M.J. Paper Boxes**, hence the promoters had vivid experience and wide exposure in the manufacturing of Corrugated Boxes and Wooden Boxes. The company's philosophy is to build a long-term business partnership with its clients where interpersonal relationship, reliability, assured quality and target oriented manufacturing of quality products are the major building blocks. It is a company where professionals from both technical and functional field group came together with an objective of providing the best in the industry. It realizes the importance of functional knowledge and its impact in developing business relations. We constantly strive to be leading packaging solution provider thru our products with profound business and functional knowledge. The key to the company's success is the maintenance of a close working relationship with the clients through ensuring the best possible quality and cost-effective products; to establish and maintain a thorough knowledge and understanding of client's objective and help them maximize the benefits. We want to establish ourselves as the best choice in Manufacturers of Corrugated Boxes, Rolls, Partitions, Wooden Boxes, Pallets, Crates & Other Packing Materials by offering the full spectrum of products.

AESPL's factory being located at Vasai area in Palghar district Wagholi area in Pune district of Maharashtra, has infrastructure of 10,000 sq. ft which have 2 fully functional plants.

## OUR QUALITY ASSURANCE & CLIENT SATISFACTION

### OUR QUALITY ASSURANCE

We aim to deliver quality and approved products to our esteemed customers. With this objective, we have incorporated an in-house quality checking facility that has all the essential amenities and tools required to test all the procured basic material and the final products to make them ready for dispatch. For the inspection of these products, we have made a team of quality auditors who follows some strict quality management policies set by the industry, in adherence with the global quality standards.

### CLIENT SATISFACTION

We are working with a faith to fulfil our customers requirement and to deliver them a product of unparalleled quality standard. To achieve the above we continuously upgrade our equipment and provide training to our staff to uphold & follow strict quality parameters while manufacturing the product. Our products provided are developed in compliance with the market guidelines, using cutting-edge technology.

*THANKING you*
